<sup>\*</sup> A Focus Day is a scheduled day within the course for consolidating knowledge and reinforcing learning, with content and pace tailored to individual learners. There will not be a live session on these dates. It is essential that you work through the content of the Focus Day before the next classroom course date detailed on the timetable.

Please note: The Tax Fundamentals (TF) exam will not be available until 1st December 2025. Learners who wish to study Tax Fundamentals between September and December 2025 should instead complete the Principles of Tax (PTX) exam. PTX follows the current syllabus and can be taken as an alternative to TF.

The above timetable indicates that learners will attend four Certificate papers from September to December. It is recommended that the remaining two papers, Business Law (BL) and Sustainability and Ethics (SE), be studied OnDemand during January and February. Learners who wish to study more intensively could choose to study one or both of BL and SE alongside Principles of Tax (PTX) and Business Insight and Performance (BIP).
